Santa Rosa Golf & Beach Club's Race Team Goes the Distance

for the Children's Volunteer Health Network*

Santa Rosa Beach, Fla. (May 23, 2018) – Santa Rosa Golf & Beach Club, named “2018 Best Golf Course” by Visit South Walton voters, today announced its Race Team went the ultimate distance this past month. The club’s running and walking group raised more than \$5,000 for the Annual Children’s Volunteer Health Network SmileMile 5K held in Watercolor, Fla. on May 12.

“Santa Rosa Golf & Beach Club’s members are devoted to increasing community outreach,” said Michael Bickett general manager for Santa Rosa. “Among so many of the club’s fitness and activity groups, the Santa Rosa Race Team has proven to be a wonderful outlet for this vision and we look forward to our club members continuing to support the South Walton area by engaging fitness and much more.”

Through their participation and generous donations from team members and other Santa Rosa Golf & Beach Club members such as the Stein golf group, the Santa Rosa Race Team was able to raise more money than any other team with funds supporting the children’s charity. For their achievements, the Santa Rosa Race Team was recognized by CVHN during the event – earning them an award and a beach-night bonfire.

Elizabeth Schwarting, Santa Rosa Race Team’s head coordinator says, “I am very proud to be part of such a wonderful and generous group of people who truly support each other and our local community.”
