PRESIDENT'S LETTER

Fall is finally here, bringing much anticipated cooler weather welcoming the return of our northern members. Please check the numerous golf tournaments, social events and fun planned for this fall and winter season around the club.

I am very excited to share some great news. Santa Rosa Golf & Beach Club has announced plans to break ground on a new short game area at the golf club beginning spring of 2019. This has been a highly desired addition for our membership that will also beautify the area where the tennis courts were previously located.

The area will include a large green, two bunkers and the ability to hit both pitch and chip shots. This space will be the perfect place for members to work on those important shots around the green. Another added benefit to the short game area will be the benefit it will bring to the beginner golfer and to our members who have children that are learning this great game.

As our membership continues to grow, it's important for our members to know that we are excited for the future of Santa Rosa Golf & Beach Club. Our goal is to always find ways to enhance your experience as a member while keeping membership at a valued and affordable price.

Santa Rosa Golf & Beach Club is your club and we invite our equity members to be in the know. Equity members are invited to join our monthly board meetings. They are held the third Tuesday of each month at 9:30am at Vue on 30a's upstairs boardroom.

Additionally, equity members have access to board meeting minutes and financials through the club's website.

Have a great fall and thank you for providing me the opportunity to serve in a leadership position at our club.

GENERAL MANAGER'S LETTER

I hope everyone enjoyed their summer. We had many hot Florida days where both the beach and the pool proved to be a great way to battle the heat for many members and their guests. I would like to thank all of the members who decided to spend some of their free time this summer with us at the club. We hope you had as much fun as we did in serving you. We are looking forward to even a better time next year.

The calendar has changed and we are heading into the fall season, which means that we have many things happening at the club. We have a multitude of events scheduled for the upcoming months at both Vue on 30a and the golf course. These include: Mixed Couples Golf Tournament, Rascally Men, Welcome Fall Bonfire, Member Appreciation Golf Event, NFL Tournament, Ladies' Holiday Gala and the Members Holiday Open House. As always, the weekly Fast Facts email communication, updates on our digital communication board outside of the golf shop, social media and this newsletter are the best way to keep up to date on the activities at the club.

I am excited to announce that the Board of Directors has approved the golf short game practice area in the location of the old tennis courts. A short game facility is

one of the biggest trends now being seen at golf clubs around the country. This is a great added amenity for our membership. On top of the of all of the benefits to your golf game, building this will help continue the commitment we have made to increase our club's first impression to members and prospective members.

As always, I would like to thank you for your continued support and membership here at the club. As you have heard me say many times we are only as strong as our members. If there are ever any questions you may have about the club please reach out to me and I would be happy to discuss it with you. We are looking forward to a fun and successful season. I look forward to seeing everyone at the club.

MEMBERS WITH A CAUSE SANDCASTLE KIDS

With a heavy heart to give something back to families going through cancer treatments or celebrating remission; equity members, Casey and Shelley Joiner founded Sandcastle Kids, Inc. in 2015. Since then, more than 30 families have received the best gift imaginable – a vacation experience with memories that will last a lifetime.

On September 22, Sandcastle Kids held its 2nd annual golf tournament at Santa Rosa Golf & Beach Club. Through the support of the community, volunteers and members who joined in the fun, the tournament was another HUGE success with all benefits going directly toward providing more vacations for deserving families.

Sandcastle Kids, Inc., is a South Walton based 501(c)(3) non-profit that provides an all-expenses paid vacation to families walking through childhood cancer. These children and families undergo severe mental, emotional and fiscal stress each day. Sandcastle Kids goal is to provide them with a week away from doctors and hospitals in hopes that these children and their families are able to experience rest, relaxation, rejuvenation and healing on the beautiful beaches of South Walton. For more information about Sandcastle Kids, Inc. visit thesandcastlekids.com.

MEMBERSHIP UPDATE

We have learned to love and embrace the reality that our once sleepy, beach-town destination and club no longer has an "off season". Rather, what we once considered our off-season is now robust with some of our best golf tournaments and festive gatherings around the club.

With all of the added members, gatherings, tournaments, events and more –growing the membership experience at Santa Rosa Golf & Beach Club is what continues to be the resounding focus. In addition to the new golf short game area, slate of social events, dining offers and tournaments, here are a few things happening around your club that will add to your overall membership experience.

- **New Website** – Santa Rosa Golf & Beach Club has launched its new website this past month. The website redesign includes a more user-friendly desktop and mobile device view. We are honored to have featured several of our members in our photo shoots around the club – you will see these beautiful images incorporated into the new website. Thank you to Sarah Svoboda and her children and Casey and Shelley Joiner and their children.

- **New Online Member User Experience** – Coming this December, along with a club-wide software update, members will receive a huge upgrade to the online experience. The ease of logging in, making updates to your information, booking tee times, viewing statements and more will be upgraded. In addition, the club will be launching a members-only app.

- **Member Ambassador Program** – Through the support of the membership committee, the club has endorsed a new Ambassador Program which will allow the membership team to personally match new members with existing members around the club that share similar interests. If you are an existing member who would like to learn more about what the club has to offer and would like to be paired up, this option is also available to you.

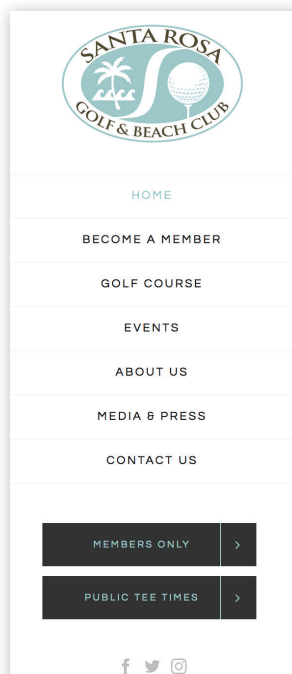

The club's social membership category continues to be sold out at this time with nearly 50 people on the wait list. For our equity memberships, the numbers continue to grow as well. While we can't report that we have a wait list for equity at this time, it's certainly a good time to join before a wait list begins.

Thank you again to all of our members, staff, Board of Directors, committee members and community for everything you do to make this club the best club experience in Northwest Florida.

Warmest Regards and Appreciation,

Sarah Brazwell

PRIVATE EVENTS

It is the season, right? The lights, the music, the sweets, the treats, the parties.... here come the holidays! With less than 90 sleeps away from Christmas Day, it's time to start preparing for your ultimate holiday event. Aside from showing appreciation to your employees, coworkers, family or even friends, there are many reasons to throw a holiday party. A holiday event is a tradition for most and a very common practice for many people each year. Here are a few top reasons to host an office holiday event.

1. Recognition: What better way to recognize the hard work and dedication of employees than at an office holiday party? Take time to consider who deserves an award and grant it to them at the event. Award recipients will leave with a feeling of value and appreciation towards the workplace.

2. Build Community: Hosting an event allows you to step outside the box and interact with fellow coworkers. Celebrations are a great opportunity for your employees to get to know one another. Often times at the office, employees only get to interact with others within their department and this can open the opportunity for others to mingle, share stories and create memories that will last a lifetime.

3. Company Culture: A holiday event is the perfect opportunity to highlight the company's core values and culture. This will also allow the opportunity to establish, or even reinforce, the culture within the company. Take the time to show what the business really stands for!

4. Food: A holiday event allows you to breakaway from normality and add a personal touch to a food and bar menu. Whether you decide to have buffet or plated meal, most event venues will provide you with multiple options for food and drinks.

5. Your Discount at Vue on 30a: Santa Rosa Golf & Beach Club members receive 20% off the food & beverage minimum and also 50% off the room rental fee. We will work with you to personalize the event space, build a custom menu and incorporate any specialty drinks or cocktails. Any

member who books a holiday event before November 1, 2018 will receive a complimentary champagne toast for all that attend. Talk about a deal!

There's nothing like getting in the Christmas spirit. Schedules fill up fast between Thanksgiving and New Years Day, so reserve your date as soon as possible. Please feel free to contact me anytime at becca@santarosaclub.com.

"The sunset becomes more dramatic as it sets south across the water, making this time of year one of the most anticipated."

From the Lesson Tee

by Carter Murchison
SRGBC's Director of Golf

During the summer months Bermuda grass, which is the dominant grass in the south, becomes very thick and therefore very challenging to play shots from distances and around the greens.

Here are some tips that will help all players manage the rough and improve their scores.

DISTANCE SHOTS: The tendency is for players to take too much club (little loft) with the hopes of getting as much distance as possible on long shots from the rough. Although, one of the benefits of rescue/hybrid clubs is to assist with difficult lies, healthy Bermuda grass will still win the battle. **A modified set-up, loft and a steep angle of attack** gives you best chances of getting the ball out, safely back in the fairway and even with some surprising distance. 1) select a club with more loft than you think you need. 2) play the ball back in your stance (which also de-lofts your selected lofted club). 3) majority of weight on your front leg. 4) create a steep backswing in order to deliver a steeper angle of attack to the ball and of course, swing as hard as you can!

CHIP and PITCH SHOTS: Optional clubs...**SW/loft wedges, putter, hybrids, fairway metals.** If you need height for the shot, use you're most lofted club. Options are to **1)** dig the ball out by playing the ball back in your stance, majority of weight on your front leg, a steep backswing & steep downswing. Note that the backswing should be longer than the follow through. **2)** blast the ball out of the rough using the same method as you would for a bunker shot – ball forward, open the face of the club and allow yourself to make a bigger swing to offset the thickness of the rough.

If you don't need height for your shot and you have room for the ball to roll out, creative options are to use one of your **hybrids, a lofted fairway metal or even a putter.** For these clubs, play the ball towards the center of your stance and use a stroke similar to your putting stroke. While it might not seem reasonable, the ball will pop out of the lie with ease and roll out to the hole.

GOLF COMMITTEE UPDATE

We are looking forward to an enjoyable and exciting 2018-2019 winter season for our members.

As a committee, we continue to discuss and implement ways to improve the quality of our member golfing experience. We encourage all members to review the upcoming event tournament schedule and enter into the events that offer the kind of golfing experience that fits best for your game.

The committee would like to remind all golfers to understand the following:

1. USGA 2019 Rules: The USGA will be implementing new "rules of golf" starting on January 1, 2019. These rules will be communicated to the membership during the fall.

2. Handicap Committee: The golf committee will be monitoring player handicaps during regular and tournament play. USGA Guidelines will be posted for member review when posting scores. If at any time you have questions or need assistance with posting scores, please feel comfortable in asking a member of the golf staff. The goal is to make the game more enjoyable by enabling players of all skill level to compete on an equitable basis.

3. Pace of Play: The club continues to endorse a four hour round pace of play policy for 18 holes and two hours for nine holes - play ready golf and keep up with the group in front of you. Keep in mind that there are seven tee options for the men and three tee options for the ladies. Please choose which tee works best for your

game. Let's play at a reasonable pace and have fun!

4. Golf Cart Traffic Guidelines: The club will be modifying and setting a new policy for golf cart traffic protocol for both handicap and non-handicap flag users. Those members in need of a handicap flag will be required to submit a request form to the golf committee for approval. There will be special guidelines for those that receive a handicap flag privilege. The club will continue to communicate to the membership all guidelines with the expectation that all players will abide by guidelines.

5. New Range Balls: Due to the restricted size of the driving range, the club is transitioning to reduced flight range balls. The RFRB's will tend to fly approximately 10% less in distance on shots exceeding 200 yards but still perform as normal for shots 200 yards or less, both in distance and curvature of flight. They will also tend to feel softer than standard range balls.

The Golf Committee represents the members of Santa Rosa Golf & Beach Club and we challenge ourselves to enhance the golfing experience while maintaining a platform of FUN and FAIR play for all members. As always, please provide us with your thoughts and suggestions that will assist us in making Santa Rosa Golf & Beach Club an exceptional golfing lifestyle.

Golf Committee: Mike Baggett-Chairman, Cheryl Hoffman-LGA, Ken Colbert & Charlie Hoffner
