# GENERAL MANAGER'S LETTER

Spring has definitely sprung and we are heading into our exciting summer season which means a lot of fun to be had at the pool and beach. I am happy to say that Emily Turner, Emily Mangmoradeth and Taylor Evans are back to take care of you and your guests. They are looking forward to sharing in your fun this summer. A new employee, Christian, will also be out assisting in the pool area this year.

Spring brings changes to our board of directors. After the membership vote, we have two new board members and one returning member. Karen Schoonover and Ashley Loyd are the new additions to the board, while Larry Osborne is returning after serving a one year stint to close out another term. Each of these Board members will be serving a three year term. I congratulate all of them and look forward to their help and guidance as we shepherd the club into its exciting future. I want to take this time to thank the board of directors whose terms have ended, Mike Baggett and Bill Wyrough. For the last three years, Mike Baggett has chaired the Golf Committee and has worked very hard with the management team to enhance and improve the enjoyment levels of all members when it comes to golf. Bill Wyrough has completed his sixth year of service on the board. He has been instrumental in his role as chairman of the Policies Committee in getting several COPs updated and two By-Law changes passed that will help facilitate success for the future. Please join me in extending your thanks to both Mr. Baggett and Mr. Wyrough the next time that you see them.

The golf course renovation is proceeding very well. For those of you who have had a chance to do a tour of the golf course led by Kelly Barker, I hope your excitement level is equal to the staff's. We will continue to schedule "Hard Hat Tours" so we can get even more members out to look at the tremendous amount of work that has already been completed. I

know it is difficult to go through a summer without being able to golf on your course, but the fall will be here very quickly and we will then have a spectacular new golf course for you to enjoy.

Recently the golf staff has coordinated some par 3 contests using the holes on the floor of the driving range. Despite some cold and windy weather, these were very popular and extremely fun events that perfectly

tie in with another new amenity that will be added this summer for the membership. Our golf course architect, Bill Bergin, has designed and Medalist Golf Inc., our construction company, will build a six-hole short course on the floor of the driving range. While a construction start date has not been officially announced, we are earmarking late June for the construction to begin and anticipate roughly six to seven weeks of down time. This new amenity provides the opportunity to not only host

more par 3 contests, but also to encourage youth and beginner play as well as just another fun avenue for all golfers to enjoy the game.

As always, I thank you for your continued support. The ability to grow through a year like 2020 and be able to focus on the future is something that makes this club special. I look forward to seeing each of you at the club soon.

# MEMBERSHIP UPDATE

Finishing out the fiscal year and the start of spring is nothing short of an exciting and busy time in the membership office at your club. Membership continues to be the cornerstone of the club – the level of support and growth we have seen this past year is nothing short of amazing. Not only does your club continue to be at a sold-out status, the profound membership interest only continues to grow resulting in a healthy wait list for future members. We are excited to welcome all of the new members you see in this issue of Lifestyles.

I'd like to take a moment to say thank you to the following members for their time, their ideas and their support on the membership committee for the 2020-2021 season: Robert Reeder – Chairman, Gina Colbert, Eden Cooper, Liz Garner and Charlie Hoffner. If you see these members, please give them a big thank you for their commitment to your club. They are a wonderful support to myself and our staff and are always focused on how to improve the membership experience at this club. Thank you all again!

With many changes happening around the club such as the golf course renovation, Operation Lipstick clubhouse updates, golf operation expansion, short course addition and more, these are truly exciting times. Rest assured that though many positive changes are in progress, there is one area that will remain a top focus in the membership office and around our club – keeping the traditions of an inviting atmosphere.

This club was founded with the idea that the club should be centered around having fun, relaxing and connecting with others. This fun-filled lifestyle will be enhanced by all that is to come in 2021 and I look forward to sharing that with you. Thank you for your continued support. Wishing you all a fun and exciting spring season at Santa Rosa!

# MEMBER RELATIONS UPDATE

Every spring I love to watch the club come to life again after the winter months. The days are longer, and members are out and about enjoying themselves and the beautiful weather we welcome back to our place of paradise this time of year.

The club is bustling with opportunities for you to experience "club life" to the fullest. Whether you are interested in improving your golf game, joining in on the fun of an upcoming social event or maybe being introduced to some of the club's smaller interest groups such as cards, recreational shooting, group fitness or book club, there is something here for you.

## FOLLOW ALONG

Follow us on Facebook, Instagram and Twitter to see upcoming events, sneak peeks and behind the scenes shots of all that is happening at the club. Be sure you have an updated email address on file to receive these updates along with general

club notices directly to your inbox every Wednesday.

## GET CONNECTED

When it comes to meeting new people at the club, the ambassador program is a great place to start. If you are new to the club and would like help meeting people or you simply just want more information on a member group within the club, our ambassadors are established members who are ready to jump in to help make introductions and extend invitations for you to join in on the fun.

## DOWNLOAD THE APP

Simply search "Santa Rosa Club" in your phone's app store to experience your membership in the palm of your hand. With the app, you can easily browse the calendar, sign up for events, make dining reservations, view statements and more.

## FOND FAREWELL

My time with Santa Rosa Golf & Beach Club is coming to a close as I have made the decision to step away and stay at home full-time with my son. Working alongside a wonderful team to enhance your membership experience is something I have truly enjoyed. It is bittersweet to see this chapter close, but I walk away with many fond memories and cherish the opportunity to spend more time with family. It has been a pleasure getting to know each of you and I am so grateful for the support shown to me over the last few years.

# GOLF COURSE RENOVATION UPDATE

Santa Rosa Golf & Beach Club's renovation is underway – PLUS the area's first short course! We are excited to share this important update and announcement from the Board of Directors and management team.

Beyond the course, there are more enhancements to the golf club in creating spaces intended not only for the most seasoned golfer but also for beginners and youth. In the fall of 2019, Bergin Golf Designs, Inc. displayed their talents by first opening the club's new short game area. The added practice area has proven to be a fantastic opportunity to work on situational practice for all shots within 50 yards of the hole. Almost any situation found around the greens on the renovated course can be duplicated and practiced at this short game area. The short game facility added two practice bunkers and ample chipping areas – all surrounding a USGA specified practice green.

Recently, the club's board of directors approved a golf enhancement that will not be found at any other area course – a new short course on the existing driving range – hosting a dual purpose. Practice Facilities have never been more valuable to clubs. Members are looking to not only improve their game, but to have a valuable golf experience when their time at the club is limited. The club anticipates to begin the short course project in late July and a projected six week timeline of completion. During this time, the driving range will be unavailable. More details on exact start

date and hours of operation for this dual facility will be communicated soon.

As a group, the new practice facilities will take golf at Santa Rosa Golf & Beach Club to an entirely new level. In order to provide better quality turf from which to practice, the existing tee will be significantly enlarged on the driving range. The landing area will be highlighted by six well-defined target greens shaped to simulate real greens. These greens will also serve as an integrated six-hole short course. With yardages ranging from 45 to 85 yards to small but interesting greens, the short course will be a welcome opportunity for fun. Appealing targets that mimic actual golf course scenarios will enable golfers to focus better during their practice times and will result in more useful sessions.

For those anxious to get a closer look at the construction progress, hole-by-hole renderings have been made available online at [santarosaclub.com/course-renovation](http://santarosaclub.com/course-renovation).

Additionally, to keep all current and future members in the know about the progress on the course; Golf Course Architect, Bill Bergin continues to provide the members and community on course video updates each week. Find these updates and more through Santa Rosa Golf & Beach Club's Facebook, Twitter and Instagram.

## OPERATION EXPANSION

For several years now our Director of Golf, Carter Murchison and General Manager, Michael Bickett have had conversations about the future goals of the golf operation at Santa Rosa Golf & Beach Club. As the club continues to grow so does the demand for a heightened member experience at the golf course, which in many ways translates to the ability for the club to hire additional management and support staff to satisfy our growing demand. The hope was for Carter to transition to a new position – the Director of Golf Instruction. With this, Carter would have the ability to put 100% of his focus on his passion of teaching golf and expanding the offerings for our membership at the club's training facilities.

We are happy to announce that we will be able to move forward with this expansion plan. This is a fantastic opportunity not just for Carter, but for the club as well. The ability for the club to offer the level of golf instruction that Carter will provide is an amazing growth opportunity for us, which goes hand in hand with the other improvements we have done to the golf operation practice areas including the Short Game Area and the building of the short course on the driving range – as well as our overall course renovation. Carter has been a great contributor to the club's success in his leadership role for the past 7+ years to his golf team as well as passing on his vast knowledge of the club business to many of us. Carter remains a great ambassador for this club and we are excited to watch him grow and develop this new position.

The process of looking for the new Director of Golf/Head Golf Professional has begun immediately. The hope is to have someone in place by June 1. In the meantime, Carter will continue to support our golf operations until we have our new Head Pro in place.

As always, we are so grateful for the support of the Board of Directors and the membership as we continue to grow, improve and expand Santa Rosa Golf & Beach Club.

# FOOD & BEVERAGE UPDATE

We are so excited to share that Vue on 30a has been recognized with its fair share of accolades for 2021. Visit South Walton voters awarded Vue with gold awards for "Best Fine Dining" and "Best Wedding Venue". Additionally, Vue was voted as the "Best Place for a Rehearsal Dinner" and "Best Place to Pop the Question" by VIP Destin Magazine's Best in Destin Awards.

All of this to say, I am incredibly proud of our hardworking staff and the job they have done and continue to do. We are incredibly grateful to take part in some of the biggest moments of people's lives, such as contributing to a surprise proposal or making a couple's wedding day beautiful. However, even the small moments are not lost on this team. Each staff member puts their best foot forward every day to create lasting impressions any time they are given the opportunity. In a recent team building exercise, staff was asked to reflect on recent times when they noticed others going above-and-beyond. Whether it was the kitchen whipping up an impromptu anniversary cake or a particular server

having guests re-visit the restaurant and remember them by name, our team is all-in when it comes to providing exceptional service for members and guests.

Chef Isley continues to impress with his delicious menu items and extraordinary specials. As we enter spring and summer, Vue on 30a is busier than ever. I would like to remind everyone that reservations are highly encouraged through the club's mobile app or by calling 850.267.2305. Please note reservations are frequently several weeks out. We are grateful for your continued support and hope to see you soon.

# POOL & BEACH CLUB REMINDERS

## CHECK-IN PROCESS

All members and guests must check-in with the pool monitor upon arrival for credentials to be verified and to receive a wristband. Wristbands should be worn at all times.

## GUEST POLICY

Members are responsible for their guests and must accompany them at check in. Each member in good standing receives 20 complimentary, digital guest passes held on your member account. Additional passes are \$5 per person/day. Members are allowed up to five guests on a single day. Additional guests must be approved by emailing the general manager at [michael@santarosaclub.com](mailto:michael@santarosaclub.com). All purchases must be charged to the host member's account. No credit card or cash payments are accepted.

## CHILDREN

Children under the age of three and those not fully potty trained must wear a snug fitting swim diaper when in the pool. Should the pool require closing due to a toileting accident, the responsible member will be charged a minimum of \$500 to recoup cleaning and loss of revenue cost. No children under the age of twelve are permitted in the hot tub. Parents should always supervise children when they are in or around water. The club does not have a lifeguard on duty.

## BEACH ETIQUETTE

Please be courteous of our neighbors and adhere to the posted signs that mark our property lines. Please take pride in our club and beautiful beach by leaving no trash behind.

## FOOD AND BEVERAGE

No outside food and beverage is permitted on the pool deck; however coolers are welcome on the beach. We are excited to extend food and beverage services to the beach again this year. Many thanks to our hardworking staff who make this enhanced member experience possible.

## DRESS CODE

In an effort to maintain a family-friendly environment for all members, the club must enforce the following as it is outlined in the COPs:

- No swim attire is permitted inside Vue on 30a. Proper cover ups and shoes are required when placing to-go orders inside or dining on the terrace.
- No hats are to be worn by male patrons in the main dining. Hats are permitted in the lounge and bar area.
- Appropriate swimwear suitable for a family atmosphere is permitted at the pool and beach area. No cut-off jeans, thongs, see-through suits or unlined shorts.

The general manager is the final authority on what is permissible in all areas according to his interpretation of the above standards of dress. Should you have any questions regarding this notice, please contact the membership office.

# The Perfect Tablescape

Spring is my favorite time of year. I enjoy the slower pace of life, beautiful weather and that the flowers, berries and vegetables are in full bloom. This time of year also brings together friends and family. When hosting those you love, a perfectly set table could make all the difference in your décor. Get in touch with your creative side to add some wow factor to your table with these simple tips.

## LIGHTING

The days are longer this time of year and that means more opportunity for hosting outdoor events. The warmth of the sun and a refreshing gulf breeze make for beautiful brunches and lunches outside; however, there is magic in the glow of candles and string lights for evening affairs. Added lighting instantly gives your event an ambiance that is hard to beat. Often times even the most simple table lighting creates dramatic results in the space.

## LAYERING

When choosing linens, consider layering pieces to add texture to your table. Keep an airy feel for the spring season by selecting flowy and casual napkins. This is a great time to introduce linens that may have patterns or stitching to create interest. When choosing your glassware and plates, start by shopping your home. Purposefully using pieces together that you have from various sets will add a depth to your table that you would not achieve with everything matching.

## CENTERPIECES

With the beautiful blooms this time of year, using floral arrangements as centerpieces is the obvious choice. Create a natural look that is desired for spring by choosing lots of greenery with light colored florals. Alternatively, you may consider selecting something a little more unexpected. You can instantly brighten your table with many items you already have in your kitchen such as fresh citrus, berries or peppers.

## MONDAYS - AQUA JOGGING

TIME: 9:00-9:30 am  
LEADER: Gina Colbert  
LOCATION: SRGBC Pool

Join us in the pool for a class that's good for your joints and your heart! Aqua jogging is a music-filled, self-paced workout. Recommended equipment to attend class: aqua shoes, noodle or aqua jogging waist buoyancy belt. The temperature outside must be at least 50 degrees at 9:00 am for class to be held. No RSVP required.

## BELLS & BANDS

TIME: 9:30-10:00 am  
LEADER: Gina Colbert  
LOCATION: SRGBC Pool Deck

A class designed to strengthen and stretch your body, improving core stability and balance while building muscle tone. Hand weights (Bells) and Bands will be used and all moves can be modified to accommodate any fitness level. The temperature outside must be at least 50 degrees at 9:00 am for class to be held. No RSVP required.

## TUESDAYS - SANTA ROSA RUNNERS

TIME: 8:00 am  
LEADER: Beth Schwarting  
LOCATION: Vue Overflow Parking Lot

Join us for a running or walking session every Tuesday at 8:00 am. We meet in the parking lot across the street from Vue on 30a. All experience levels are welcome. No RSVP required.

## WEDNESDAYS - AQUA ROCKS

TIME: 9:00-10:00 am  
LEADER: Karen Angelosante  
LOCATION: SRGBC Pool

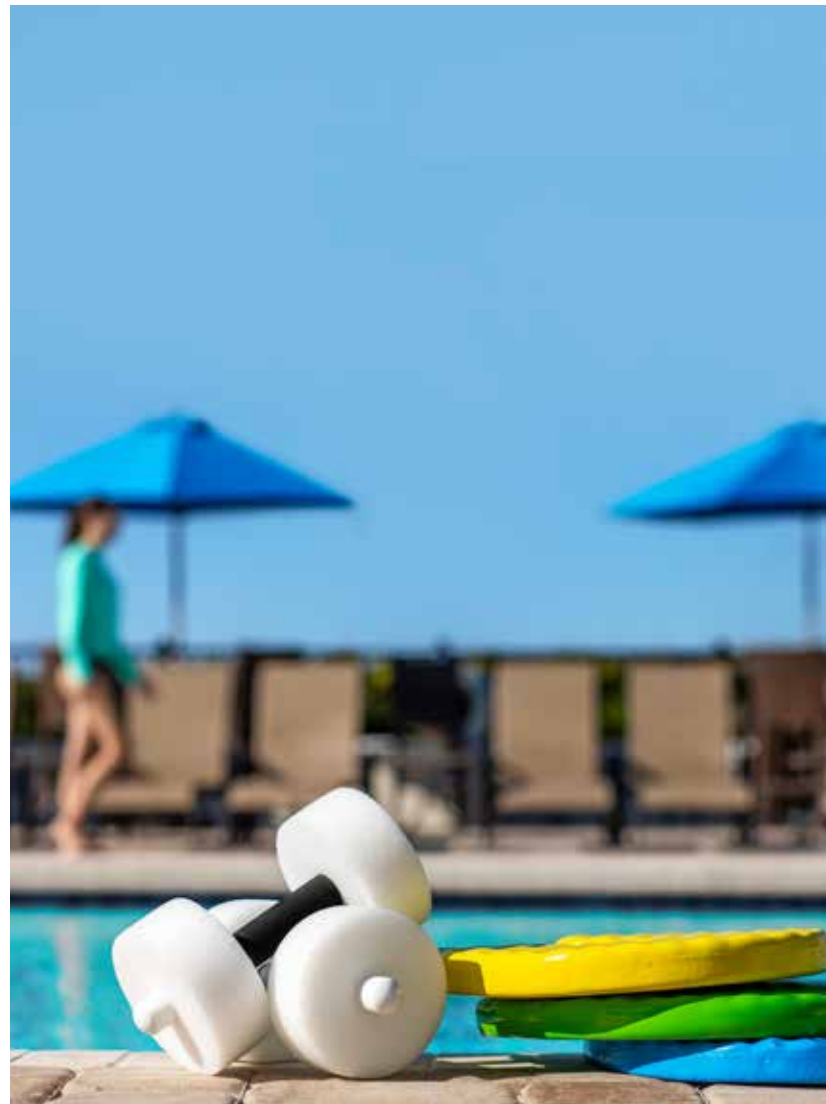

A low impact and high energy aqua exercise class with music. Water creates natural resistance, which means every step is more challenging and helps tone your muscles. Aqua shoes are useful, but not required. No RSVP required.

## FRIDAYS - AQUA AEROBICS

TIME: 9:00-10:00 am  
LEADERS: Barbara Young  
LOCATION: SRGBC Pool

Hop in the pool for a class that utilizes the water's resistance and your buoyancy to make for a great low to moderate level aerobic workout encompassing all muscle groups. This class is suitable for all fitness levels. Class size is limited to 15 participants and will be offered on a first come, first served basis.

*All meet-ups are led by member volunteers. SRGBC and member volunteers cannot assume responsibility for any accident or injury you might incur while participating. Please consult your physician to determine which classes are best suited to your health and fitness level.*
